**Mainline Information Systems Ranks 45 on
*Florida Trend's Florida Private 200 List***

TALLAHASSEE, Fla. – Mainline Information Systems achieved a ranking of 45 on *Florida Trend's Florida Private 200* list for 2007.

"With this ranking, Mainline continues a long tradition of recognized business excellence in the State of Florida," said Rick Kearney, President and CEO of Mainline. "Our dedication to the customers and industries we serve is a key element to our success. This ranking reflects our solid, 19-year partnership with IBM, as well as other leading solution providers like VMware and Cisco. Most of all, it reflects our commitment to providing technology solutions that meet the needs of our customers."

Florida Trend ranks private companies headquartered in Florida in order from 1 to 200, with number 1 being the private company reporting the highest revenue for 2007. The complete list was published in the May 2008 issue of *Florida Trend* magazine and can be viewed [online](#).

About Mainline:

Founded in 1989, Mainline began by offering information technology solutions and consulting in the IBM midrange markets. Since then, it has become an IBM Premier Business Partner and global provider of information technology and business solutions with more than 600 employees nationwide. Headquartered at 1700 Summit Lake Drive, Tallahassee, Florida 32317, Mainline provides solutions throughout the United States, Puerto Rico, Canada, Brazil and Mexico. The company may be reached by phone at 850.219.5000 and on the Internet at www.mainline.com.
